Vaisakhi Assembly

'Today, Mr Wingrove told us a very special story about Vaisakhi in the KS1 Assembly and it was really interesting. He explained what faith is and that God is always there for us.' - Angad (2H)

'Mr Simner did a KS2 assembly about Vaisakhi and he told us a story about Guru Gobind Singh. The Guru wanted a volunteer who would be brave enough to put themselves forward, this happened five times. In the end, the people who volunteered came out of the tent unharmed. We think the moral of the story is, whether you fail or succeed, it is important that you face your fear, it's how hard you try that counts.' - Klevisa and Jia (4M)

Energy Monitors on Patrol!

'Today we went around different classes and checked that they weren't wasting electricity.' - Mubarak (2H)

'Some people in the school are forgetting to turn their lights off. But some people are good because they are turning off the computers.' - Eva (1C)

'It was very interesting to find that some classes are respectful of their energy. These classes turn off their lights and they recycle paper. Hopefully, we can be even more energy efficient in the future.' - Nikhara (2T)

I would like to thank Mr Hemmingway who organised the 'Energy Saving Walk'; he said the children were very sensible about the task and took the activity extremely seriously!

Caring Year 3

Deanna, Madison, Annie, Isabelle and Violet organised a raffle before the holiday to raise money for homeless people as they are concerned that lots of people have to live on the streets. In total the children raised £10.35.....well done girls, I am really proud of you!

School Fund

This week £33.00 was collected in School Fund. May I take this opportunity to thank all the parents who have paid, some of whom have paid for the whole half term, as this means we can buy those 'extra' things for the children.
