Welcome Back!

It was wonderful to see how happy the children were to be back in school and I cannot believe how some of them have grown! This year we will be encouraging all of our children to be 'AIMING HIGH' in every aspect of their school lives. This morning, in assembly, I spoke to the school about how I want them to take pride in themselves (ie their appearance and their behaviour), their work and our school. My hope is that the children will feel extremely proud to be a part of this school and always strive to be the best that they can be!

School Uniform

Please ensure that your child is always in full school uniform. Please note that children should not be wearing trainers, nail varnish is not allowed and only a watch and stud earrings are allowed as jewellery. Thank you for your support in this matter.

Online Safety

I would like to take this opportunity to respectfully remind parents about being vigilant with reference to e-safety at home. Never leave your child unsupervised when they are online, never allow them to use a webcam, use parent blocks and filters to limit what your child has access to, check your child's 'history' to monitor their usage and ensure that they only play age appropriate games - I am aware that this appears quite 'intrusive', but keeping our children safe is of the utmost importance.

Governing Body Safety Statement

Every year the Governing Body issue a 'Safety Statement' to promote mutual respect within the school. Please find attached a copy of this statement.
