Aspiration Aces!

Earlier today we held our second 'Aspiration Aces Assembly'. Each class teacher (Year 1 to Year 6) had to select one child from their class whom always strives to do their very best in every situation. The winners received a special certificate, a book mark and a stick of Calshot Rock! The parents of the winning children also received a congratulatory text message. Well done to all of those children who were selected.

Year 2 - Aston Hall

'On Friday, Year 2 went to Aston Hall. We had a tour of the house and we learnt all about the Great Fire of London and what life was like in 1666. We had a great day! My favourite part was dressing up as King Charles II.' - Xavier (2T)

'We went to Aston Hall to learn about the Great Fire of London. Some of us dressed up and asked about what happened. We sang some songs and it was brilliant!' - Jessica (2H)

Children First

It has become noticeable that at the end of the school day there are an increasing number of parents on the KS1 playground who are standing right next to the school building and staring into the classrooms through the windows. Some of the children are starting to become upset by this and are questioning why 'strangers' are staring at them through the window. Therefore, can I respectfully ask parents not to stand and stare through classroom windows for the benefit of all of our children. Thank you for your support.
