POLICY FOR THE PAYMENT OF ALLOWANCES TO GOVERNORS & ASSOCIATE MEMBERS SERVING AT LOCAL AUTHORITY MAINTAINED SCHOOLS

1) INTRODUCTION

- 1.1) Regulation 28 of The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 states that: *The governing body of a maintained school which has a delegated budget(a) may determine to pay a member of that governing body or any associate member payments by way of allowance referred to in paragraph (2).*

(2) Such payments by way of allowance are in respect of expenditure necessarily incurred for the purpose of enabling the governor or associate member to perform any duty, being either payment made under regulation 30, or payments at a rate determined by the governing body, and made on provision of a receipt for the relevant amount.

- 1.2) The aim of this policy is to ensure that elected members of the Governing Board (GB) do not incur unnecessary expenditure through undertaking recognised and approved business on behalf of the GB, and that a facility exists which enables the Governing Body to pay reasonable expenses from the school's budget share to governors that have incurred them.

2) ACTIVITIES FOR WHICH ALLOWANCES MIGHT BE PAYABLE

- 2.1) The GB considers that its members should be entitled to claim allowances for the following activities:
- a) formal meetings of the GB and its appointed committees;
 - b) formal meetings attended by governors on behalf of the GB where the attendance has been requested or approved by the GB;
 - c) other meetings or events requiring the attendance of governors on behalf of the School where the attendance has been requested or approved by the GB;
 - d) other visits to school that fall within the GB approved policy on governor visits or which have been otherwise approved by the GB.

The GB notes that the above does not include attendance allowances or reimbursement for any loss of earnings.

3) BASIS AND RATES OF PAYMENT

- 3.1) For any meetings that come within the provisions of paragraph 2 the GB to adopt the following scheme of payments:
- a) travel by rail – 2nd class fare;
 - b) travel by bus – the fare actually paid;
 - c) travel by the members own private motor vehicle where its use results in a substantial saving of governors' time or is in the interest of the GB or is otherwise reasonable. Rates payable as adopted by the GB however, expenses incurred through the use of private cars and motor cycles shall be at a rate not exceeding Her Majesty's Revenue & Customs Approved Mileage Rates which are published on the following website www.hmrc.gov.uk/rates/travel.htm ;
 - d) subsistence – Re-imburement for food and drink items bought on the day claimed. Rates payable as adopted by the GB but shall not exceed the agreed levels set out in the Birmingham City Council Staff Handbook, which can be downloaded from the Schools HR Portal <https://schoolshr.birmingham.gov.uk>
 - e) other eligible expenses agreed by the GB.

As there are no national or local rates set for these expenses the GB will determine rates of payment based on provision of a receipt.

- 3.2) All expense claims should be made in the same financial year as the expenses have been incurred.

4) METHOD OF PAYMENT

After consultation with the Inland Revenue the Local Authority has produced the following advice on how these allowances may be claimed.

4.1) Reimbursement

- a) *Car and Motor Cycle Mileage (including parking fees)*

It is strongly recommended that if mileage and subsistence payments are made in accordance with nationally and locally agreed rates, such payments are made via the Local Authority's Central Payroll System. Such Payments are considered by the Inland Revenue to contain a "profit" element and as such may be subject to tax; they need not be taxed at source, but a schedule of all payments must be made to the Inland Revenue. This will be done by Education Finance.

- b) *Reimbursement of Actual Costs for Bus, Rail Fares, Subsistence and Other Expenses etc.*

Reimbursement of actual costs incurred for expenses, including parking fees that are not incorporated within a claim for car or motorcycle mileage, may be made out of petty cash, as there is no profit element. Appropriate receipts, including those for VAT, must be provided.

5) CLAIM FORMS

- 5.1) Claims that relate to car and motorcycle mileage should be submitted on the standard form for governors (appendix A of this policy) that is certified by the Chair of the GB, Headteacher, relevant School Business Manager or other nominated governor. Completed certified forms are sent to: School and Governor Support, P.O. Box 16260, Birmingham, B2 2WU. No governor should certify their own claim for expenses incurred.
- 5.2) Claims that relate to actual costs incurred (e.g. subsistence) should be submitted on the standard claim form (appendix B of this policy) that is certified by the Chair of the GB, Headteacher or other nominated governor and presented to the School for payment from petty cash. No governor should certify their own claim for expenses incurred.

6) OTHER INFORMATION

6.1) Use of private vehicles and insurance documentation

Members are reminded that if they use their cars for the discharge of their duties, they are responsible for checking that their insurance cover is sufficient and appropriate (e.g. business use).

Policy has been agreed and ratified by Full Governing Body on 29th November 2021
