At Calshot Primary School we are always AIMING HIGH!

Transfer Day

As I told you last week, 'Secondary Transfer Day' is Wednesday 7th July and that we have been informed by BCC that the days are to be virtual as Year 6 pupils are not allowed to physically attend their secondary schools in person. However, some secondary schools are still holding events on this day and it will vary between each school. Year 6 parents will hopefully be notified of these arrangements as we have not be informed by the schools themselves. On this basis, I am aware that on Transfer Day some Year 6 pupils will still need to attend Calshot. We will continue to hold our own Transfer Day at Calshot School on the same day and will make sure the Year 6 pupils that are here are included in the process. I know it is complicated but I want the children to know where and who they are with so they can prepare for September with confidence and excitement as they move up the school.

Nursery Induction Meetings

This week the Mrs Thompson the Nursery teacher met with the September intake of Nursery parents and pupils in the Main Hall. It was the first time that the children had been to visit Calshot and it was lovely to hear how the children enjoyed seeing the school and are looking forward to starting later on this year. A big thank you to Mrs Thompson for organising the meetings, especially at this busy time of year and with all the restrictions currently in place. I know the parents really appreciated it.

Sports Day

I wanted to let parents know that Sports Day will take place on Thursday 8th July. It will be a different event to the usual day that we hold, as Covid-19 restrictions are still in place and we will not be able to have parents attend this year. Instead, year groups will stay together and not be split up but they will all be able to join in and take part in this enjoyable and fun event. Children will need to come to school in suitable PE clothes, with a water bottle. If the sun is out please make sure you apply sunscreen before they come to school.

Asda Collection

Thank you to those families that have donated wool, I have a huge box full in my office. We will continue to support Asda who have asked us if we can help several charities including 'Help the Homeless, Cradle Charity

and Hospital Prem Unit', all of which are very worthy causes. If you have any wool the children can bring in I will continue to collect it. Thank you for your support.

Stay Safe!

Mr. M. Wingrove

(Head Teacher)
