At Calshot Primary School we are always **AIMING HIGH!**

Year Three INSPIRE!

Thank you to all the parents that came to the Year 3 INSPIRE Workshop to learn about Maths. The children told me how much they enjoyed watching their mums and dads learning how to do hard maths problems. Well done Miss Bemand and Miss Corbett.

'At the workshop we had a lot of fun and our parents were allowed to come too! I love doing Maths as we did multiplications and times-tables. We also did subtraction and had to carry numbers.' - Rohan (3B)

'I enjoyed doing Maths with my dad because I got to show him new methods of working out.' - Olivia (3C)

'My mum came to my INSPIRE and did some times-tables, which was fun! We did some word problems and I was quick as I finished the whole sheet. I really enjoyed doing Maths with my mum!' - Zahraa (3B)

International Women's Day

On Monday children took part in 'International Women's Day', where they found out about women that inspire us and have had an impact in promoting gender equality. Thank you to Miss Buttler for organising this informative day!

'Michelle Obama empowered women to be independent and follow their dreams.' - Tait (2H)

'On Monday we wore something purple for International Women's Day. In Year Five we learnt about Eileen Collins, the first female to command a space station. In assembly we played 'Guess who' with famous women like Mary Seacole and Amelia Earhart.' - Ben (5H)

'On International Women's Day we learnt about Emma Watson and wore something purple. Emma Watson is an actress and starred in Harry Potter and Beauty and the Beast. She is also a United Nations Ambassador. We learnt new facts and made a colourful poster, it was fun!' - Zara (4B)

'Michelle Obama helped fight childhood obesity in America and created a television programme called 'Lets move and make women stronger'.' - Scarlett (2H)

'International Women's Day was so much fun! We were asked to wear purple clothing as it represents women. Throughout the day the whole school learnt about famous women, Year 5 learnt about Eileen Collins. She was the first female pilot for NASA.' - Ayesha (5H)

'I loved International Women's Day as we did fun activities and made a poster. We learnt about a lady called Emma Watson and it was amazing. Did you know Emma Watson was in the Harry Potter movies?' - Aarav (4B)

Dinners Email Request

The office staff have again asked me to remind parents that before we change (after Easter) to the new system of ordering school dinners online, parents need to have sent in their email addresses. The email address will be linked directly to your child and then you can order from the online menu what you want your child to have for dinner every day. If we don't have your email address we won't be able to set an account up for you to allocate from the menu what you would like your child to have.

Lost Coat

A child in class 2H has lost her black coat, we think it may have been picked up by mistake as a coat that is similar has been left in school. Can parents please check as the coat is black, aged 6-7 years and has a fur trimmed hood. If you think you may have it please speak to Miss Kaur in 2H. Thank you.

Friends Of Calshot

Friends Of Calshot are holding a Mother's Day gift stall during morning play on Friday 20th March in the Dining Room. All children are welcome to bring their pocket money to buy a special gift for their loved ones. Gifts are priced between 50p - £2.00 each. Thank you as always for your continued support.

School Fund

This week £15.20 was collected in School Fund this week. I take this opportunity to thank all the parents who have contributed.

Mr. M. Wingrove

(Head Teacher)
