**At Calshot Primary School we are always AIMING HIGH!**

### Maths Day!

'We used 2D shapes and 3D shapes. I found it a little bit hard, but I had lots of fun.' - Benjamin (1H)

'On Maths Day we pretended to buy some food items and we had to add up the total amount. Then we calculated our change. We also went to the hall and had fun. We had to solve hard puzzles.' - Ruby (2H)

'Last Friday it was Maths Day and it was spectacular! We had to solve problems to find the tomb robber of Tutankhamun's tomb. The 'Problem Solving Company' came and we had to rebuild the Lego statue. No one finished, but we were close. We had a lot of fun!' - Maddison (4P)

On Friday we had Maths Day. In the morning, we had a challenging, mind-blowing mission to Mars and when we finished we got a Mars bar! The class voted for the person who they thought should be the Maths Champion and they chose me! In the afternoon, we went to the hall and we did some exciting, epic maths with a very special guest. We all had a tremendous time! - Evan (5B)

*I would like to take this opportunity to thank Mrs Patterson for organising the exciting event!*

### Chinese New Year

'In assembly, Mr Simner told us all about the Jade Emperor and the 13 animals. There was a swimming race between the 13 animals to cross the river. The emperor held the race because he couldn't decide which animals to name the years after. The cat and the rat couldn't swim, so they had to jump onto the ox's back, but the rat pushed the cat off the ox's back into the river! The ox turned around because he heard the splash and the sneaky rat jumped onto the river bank and won!' - Zara and Jessica C (3A)

### School Fund

This week £4.50 was collected in School Fund. May I take this opportunity to thank all the parents who have paid, some of whom have paid for the whole half term, as this means we can buy those 'extra' things for the children.

W.Simner

(Head Teacher)
