At Calshot Primary School we are always **AIMING HIGH!**

Christmas Week

What a week it has been in and around school, the children and staff have had a very busy festive period. The children enjoyed Christmas Parties, a fantastic Christmas Dinner (hats off to Karen and the team in the kitchen as the food was amazing, even the Brussel sprouts!) and an entertaining 'Calshot's Got Talent'. We all need a well-deserved Christmas Holiday. I want to wish everyone a happy, fun and caring Christmas with family and loved ones. I'm looking forward to Spring when the children will return to school on **Wednesday 5th January** safe and well.

'I loved singing in the hall with Mr Wingrove and Miss Atterbury. I liked 'Go Tell it on the Mountain' and 'Calypso Christmas' as we joined in doing all the actions.' - Ava-Rose (5D)

'At our Christmas Party we played musical statues and musical chairs. It was great!' - Clara-Maye (3H)

'We did musical statues and pass the parcel. I ate mini Cheddars, it was a lot of fun!' - Keaton (2T)

'I had Christmas Dinner, I liked the roast potatoes and the chocolate pudding!' - Tate (3H)

'We sang the Year 5 and 6 Christmas carols which was nice. I liked singing 'Rudolph the Red Nose Reindeer' because the actions were fun and all in time.' - Gracie-Mae (6H)

'We danced at our party and ate our snacks. I had Skittles!' - Liona (1J)

Message from the Chair of Governors

I just wanted to take a moment to thank all staff, parents and children for their support in ensuring our children have had a safe learning environment over the last few weeks as we continue to manage the challenges of the pandemic. I'm sure everyone is looking forward to having as much of a break as they can as terms ends. On behalf of the governing body, I wish you a very merry Christmas if you are celebrating, hoping everyone will have some wonderful family time and here's to happy New Year.

'Brilliant Brummies'

The children have been learning about famous people from Birmingham such as Julie Walters, Benjamin Zephaniah and Matthew Bolton. A really interesting topic where children were able to explore people who helped shape Birmingham as the city it is today.

'We studied Alfred Bird who invented egg free custard for his wife, who had an egg allergy.' - Ria (5D)

'We studied Neville Chamberlain who was the Prime Minister of Britain during the start of the Second World War. He was born in Edgbaston.' - Alfie P (6C)

'I studied George Cadbury who invented Cadbury chocolate.' - Alys (6C)

'Christmas Productions'

This year the Christmas Productions were recorded and earlier in the week I sent home the digital links so you can access them. You can still access the videos from the school website <https://calshot.bham.sch.uk/> I have also included the QR codes on this newsletter in case anybody missed them.
