At Calshot Primary School we are always AIMING HIGH!

Next week school is open, there is still lots to do especially for Year 6. The last day for children is **Wednesday 20th July**.

Year 6 Leaver's Performance

I was fortunate enough to be able to watch the Year 6 leaver's production 'Star Warts!' and I can tell you it was out of this world. The jokes from start to finish were brilliant, the acting superb and the singing was breathtaking. A huge thank you to the all the Year Six team, as I know how much work goes into such a big production behind the scenes. The Year Six children will be truly missed by us all at Calshot and I look forward to hearing about their continued successes as they move onto the next step of their journey.

Y2 Trip!

On Tuesday Year 2 went on a trip to Tamworth Castle. They all came back with big smiles and lots of exciting stories to share (including the teachers). Thank you to all the staff that went to make sure the children had a wonderful time.

'We explored the castle and it was amazing. I climbed the tower, which was very high.' - Hamza (2H)

'We has a great trip to Tamworth Castle! We learnt how to set the table for the lord and lady. We went up to the top of the tower and saw a real life coat of arms. We had so much fun.' - Sarah (2T)

'Tamworth Castle was fun because we got to meet the squire and we trained how to fight in battle.' Esme (2H)

'When we went to Tamworth Castle we did different activities. First we learnt about armour, then weapons and then how to fight. Next we had a tour, where we went to the top of the tower, which was scary. We then learnt how to set a table for the lord and lady.' - Vinny (2T)

Y5/6 Girls Football Team

The Aston Primary Schools Football Association end of season report came out yesterday and the Y5/6 Girls Football team were mentioned due to their fantastic achievements this season. The girls qualified for the national finals (where they progressed to the semi-finals), an achievement no other West Midlands team, girls or boys, has ever achieved before. Well done to the entire team, you are an inspirations to us all.

Heat Wave

A reminder that children need to make sure they bring in a water bottle each day. Teachers will make sure children can access water throughout the day. Children should wear suitable short sleeved shirts and have sun-cream applied before school. If your child likes to wear a hat they are welcome to do so when in the playground.

Mrs Broome

Next week is Mrs Broome's last week at Calshot School, before she embarks on her new adventure. We are all really sad to see her leave but wish her all the very best for the future. Mrs Broome has been at Calshot School for 17 years, she has given so much for the children over the many years in school and we are truly grateful. Thank you Mrs Broome!

Nursery Places

Please pass on to parents in the community, that we still have places available in our Nursery for September. If you hear of anyone wanting a place then please sign post them to the main office, in person, by phone or email. We will process any application by the 10th of September and can offer 15 hours free, per week.

School Fund

This week £10.50 was collected in School Fund. May I take this opportunity to thank those that have paid, as this means we can buy those 'extra' things for the children.
