At Calshot Primary School we are always AIMING HIGH!

What a term it has been. School has been buzzing with all the exciting things they have been getting up to, including going on class trips, Sports day, assemblies and Transfer day. As always the children have been a credit to you and Calshot School and I know that in September we will continue to build upon all the hard work everyone has put in over the year. I hope everyone has a fun filled holiday, manage to get some much deserved rest with their families and make magical memories together. I look forward to seeing the children start back on **Wednesday 7th September**.

Farewell to Year 6

This week, Year 6 have been celebrating their time at Calshot; for some of the children, they have spent the last eight years of their lives here! The children have celebrated at their Prom and they put on a wonderful show last Thursday, which was very funny. On Monday, they ventured out on their 'Not-So-Mystery Trip' (paid for out of School Fund) and this morning, they reflected upon their time at Calshot in the final Leavers Assembly. It goes without saying that we wish them a happy, healthy and successful future...may they continue to 'Aim High!'

Active Fund Raiser

'Wingrove Wipe-out' & 'Atterbury's Assault Course' took place a few weeks ago. We raised £1073.60 which is a staggering amount that will go into School Fund and supplement the new and improved reading scheme that we have continued to bring into school. Thank you!

Friends Of Calshot

I want to say thank you to the volunteers from Friends Of Calshot for all the hard work that they have put in for our children over the year and most definitely the last few weeks. We had a very successful School Fayre, the children haven't stopped asking whether I'll go back into the stocks for another soaking (with weather like this I wouldn't mind). We raised over £2000 through the fayre and ice creams sales. The Disco last Monday was excellent and the School Prom was superb, a night to never forget. The children looked fabulous in their dresses and suits. Despite the hot weather it didn't slow them down on the dance floor. The PTA organised and set everything up, without them these events would not have been able to take place. The children have had a great time and will remember these occasions for ever, thank you.

Message from the Chair of Governors

It's the end of another school year and the Governing Body would like to thank everybody who has helped to get through it. We started the year cautiously as government restrictions were reduced and slowly normality was resumed, though COVID is still with us. It was wonderful to see the summer fayre back in person and so well supported by family, friends and the local community - well done to Friends of Calshot and all staff that were involved. Thank you to Mr Wingrove and Miss Atterbury for their leadership throughout and also for leading by example by stepping up on multiple occasions across the year, to support covid related staff shortages. A huge thanks to all the staff at Calshot for your hard work, parents and guardians who continue to support their children and the school and as always the biggest thank you to the children who make Calshot the wonderful place that it is. Over the year, I have had the pleasure to hear from a number of visitors how well behaved and studious our children are and they have enjoyed meeting staff and were impressed by the overall atmosphere of the school. The Governing Body Statement has been published on the school website - do take some time to read it. We wish you all a safe summer break and look forward to seeing you back in September and wish Year 6 and the staff that are leaving us the very best as they move on to the next part of their journeys!

Best

Dharmesh

Thank you for your continued support and please keep safe. Have a wonderful summer!

Mr. M. Wingrove

(Head Teacher)
