

Year 2 Curriculum Leaflet for Autumn 1

We hope you all had a wonderful Summer holiday with your families. This half term our topic is Ocean Adventures! Here is a brief overview of what we will be leaning.

Join us for a trip around the globe as we learn about the world's oceans, the dangers they face and how to protect them. We will be reading Barry the fish with fingers, writing wonderful creative stories about life under the sea and poems about the oceans. In Art we will learn about the colour wheel and experiment with cold and warm colours. In Geography we will find out about the human and physical features of the seaside and explore seaside locations.
