At Calshot Primary School we are always **AIMING HIGH!**

Year 6 Leavers' Performance

I was fortunate enough to be able to watch the Year 6 leaver's production 'Grossbusters' and I can tell you it was fabulous. The acting was superb and the singing was amazing. I am so proud of what they have achieved. A huge thank you to the all the Year Six team, as I know how much work goes into such a big production behind the scenes. The Year Six children will be truly missed by us all at Calshot and I look forward to hearing about their continued successes as they make the next step of their journey.

School Fayre!

The School Fayre took place on Friday and it was a fantastic success. I must begin by thanking the wonderful Friends of Calshot team and school staff that organised everything, without them the fayre would not happen. They arrange all the stalls (even the stocks), prizes and food, plus they set up and pack everything away. I am so very grateful; you are all superstars! I want to also thank the pupils and parents for coming and supporting the school, it is wonderful to see our school community coming together for a good cause and having fun.

'My favourite part was the 'soak the teacher', especially when the sun came out.' - Mr Wingrove

I wanted to thank the various businesses that supported our Calshot Raffle; hence the prizes were fantastic.

Nursery Places

Please pass on to parents in the community that we still have places available in our Nursery for September. If you hear of anyone wanting a place then please sign post them to the main office; in person, by phone or email. We can offer 15 or 30 hours free per week, depending on family circumstances.

Children's Commissioner's National Survey

I have been asked by Dame Rachel de Souza the Children's Commissioner for England to make you aware of a national survey she wants children to complete.

'With the summer holidays fast approaching, I am making one final push to ensure that as many children and young people as possible in every school and college take part before the end of term.

I am asking for your support in ensuring pupils from your school complete the survey here:

<https://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial that I hear from as many children as possible in every school and college, in every community, across the country. If I do not hear from your pupils, their experiences, views and aspirations risk being missed when I present the findings of my survey to the Government.'

The last day for children is next Friday 17th July.
