School Vision

I have included the School Vision Statement and highlighted the key values that we adhere to. I am proud to be the Head Teacher of Calshot School and all it stands for.

'At Calshot we aim to provide the highest quality of learning and care for ALL children in a safe and enjoyable environment, nurturing personal values, in partnership with parents, carers and the wider community. We expect everyone in our school to strive to achieve their full potential'

Governor Statement

Every year the Governing Body issue a 'Safety Statement' to promote mutual respect within the school. Please take the time to read it as Calshot should always be a place that pupils, staff members and parents feel safe. The notice will appear around school so that any visitors are also aware of the expectations we have in how we treat each other in school.

THE GOVERNING BODY SAFETY STATEMENT

The Governing Body values the school community (Staff, Parents & Children) and the commitment they all make to the school.

We expect the school community to treat each other with mutual respect and dignity. Violence, harassment, threatening behaviour or verbal abuse will not be tolerated in any form.

The Governing Body value the parents and visitors to our school and aim to do our best for you and help you with any concerns that you may have.

We always fully support our staff. If staff are injured, property is damaged, or they are treated in a disrespectful/rude manner it will be reported as appropriate and legal action may be pursued (civil/criminal).

Thank you for reading our statement.

Full Governing Body

Parent Mail

Please ensure you have completed the Contact Form, Medical Needs Form and Ethnic Monitoring Form on Parent Mail. These need updating and completing at the start of every school year, even if you have already completed them in the past.

After School Sports Clubs

We have inundated with requests for After School Sports Club places. I'm really pleased that we have been able to facilitate clubs for so many children that may not have always been able to access them. Unfortunately, we can not cater for everyone this half term, so we will make sure that if you haven't been given a space you will be prioritised for the next half term instead.

Reception & Nursery Starters

It has been fantastic meeting all the new pupils as they start school for the very first time. It was wonderful meeting them and their parents on this very important day and seeing them start their journey at Calshot. They will love their time here and we welcome them with open arms. I want to thank all of the Early Years team for organising and making their first days so special.

Children Walking To/From School Safely

If your child walks to school, or walks home on their own it is important that as a school we are aware of this. Therefore, if you decide to allow your child to do this, there is a form which we will need you to fill in. Please note, even if you have completed one of these forms in the past, you will need to complete a new one this year.

School Fund

Over the last few years, we haven't promoted the need for School Fund. However, our school fund account is nearly empty. There is no obligation to pay into it, however we ask that if you are able to make a 50 pence weekly contribution or pay in a termly lump sum, **now available** via Parent Mail, that would be brilliant. All funds are spent on providing the extra things that children need in school.
